Mrs. Shellie Kosmerchock, Principal

Principal's News

The first week of school is finished and students are settling into their routine. I love walking through the school and peeking into the classrooms to watch the action taking place each day. Students are busy learning and knowledge is being shared.

We are asking each family to give 10 hours of volunteer time this school year. I understand everyone is busy, if we all do 10 hours so much can be accomplished. There are things that can be sent home with your child, concessions for our athletic games, book fair, the Kraut supper in November, so much that 1 hour at a time will add up fast. There is a volunteer binder in the office that we would like each family to fill out through the year. If you have received a grant, these 10 hours are part of the schools expectations.

Together we can make great things happen at the school!

Blessings,

Mrs. Kosmerchock, Principal
