SAY CHEESE!

Greetings Families of St. John Lutheran School,

It amazes me how fast summer goes with all the work to prepare for the new school year along with time off. It was wonderful to greet the students with Zoomer again this year. What a wonderful tradition! The excitement on the students' faces and the joy shared between teachers and students was awesome to see.

We began the year with opening chapel in which we talked about our school theme, "Real. Present. God." As Psalm 46:1 says, "God is our refuge and strength, an ever-present help in trouble." God is always present, he is real, not imaginary as super heroes or cartoons. He is the real deal! As we continue through the LCMS's chapel talk we will be sharing more about our school theme. Parents and grandparents are encouraged to attend chapel each Thursday at 8:55 a.m. This is a time to share fellowship and be uplifted by the Word of God.

Please know that I am here for each of you, as are your child's teacher. Please don't hesitate to contact us. Our goal is to work together to have a successful year.

Blessings,

Mrs. Kosmerchock

PA SYSTEM - As everyone has heard, the church and school was struck by lightning on August 6th. The lightning has caused the school's PA system to go on the fritz. We are working to replace the system, but would like to upgrade the system so that we have a battery pack and an emergency system on the device. This would allow us to use it during a crisis. Also, we would have our bell system as part of the PA system. The additional cost is \$3574. We were able to raise a portion of this expense through the Clothes Closet and another donation, but would like your help. If you are able to help us improve our system, please consider making a donation. Place in an envelop marked 'school PA system.' Thank you for this consideration. Mrs. Kosmerchok

Chapel News - We will be collecting for Cherry Street Mission Ministries for the 1st Quarter. Please help us by sending in your child's offering. Starting next week, Chapel will be weekly on Thursday's morning at 8:55 am. Please join them!
