Principal News

Greetings Families,

It was amazing spending time at Camp Palmer with the 5th & 6th grade students last week. The students spent time doing team building activities, learning about wetlands and streams and what lives in those areas, making ropes, and trying the climbing wall, high ropes and flying squirrel. We all shared amazing food for each meal. There was time for devotions and prayers. The families and students were able to canoe together. I even tried it with Hope and Rose Kiessling. It was fun, but scary as water is not always my friend. What a blessing that we are able to experience Camp Palmer with the help of the PTL. I look forward to next year.

Thank you all for selling pickles for the PTL fundraiser. It is with those funds that the PTL is able to help classrooms with field trips and purchase items for the school!

It was wonderful to hear all the students in preschool through 2nd grade singing in church last Sunday. It was amazing!

Have a wonderful week in the Lord!

Blessings,

Mrs. Kosmerchock
