Principal News

Greetings Families of St. John,

Wow! What an exciting event we had last Saturday. It was wonderful to see so many families and friends attend the 5th annual "An Evening with Friends!" We have not reached our goal yet, so if you have friends that would like to donate to our annual fund, there is still time. We are about \$7,000 away from our goal of \$33,000.00.

Please remember to send hats and mittens with your child to school. We do go outside and children need to be bundled up to stay warm. According to our handbook, if temperatures are 15* degrees or above and wind chill of 0* or above they go outside for recess. The fresh air is good for children and they seem to perform better in the afternoon. If you have concerns, please contact me at the school.

Thank you again for being part of our school and helping us build a partnership together!

Blessings,

Mrs. K
