MR. JOHN MARCH, PRINCIPAL

Merry Christmas St. John Families,

The Jews waited for centuries for the promised Messiah. They are still waiting. We are so very blessed to know and serve this very Messiah, born to take away the sin of the world! We believe as Christians that God came to us in the form of a baby for the salvation of the people on earth. In this second week of Advent, let's remember the peace that God gave us through His son, that we can live victorious in a corrupt and evil world.

Give effort in these short, remaining days leading up to the birth of our saviour and share the true meaning of Christmas with someone who may need it. There are parents that have to decide if they will buy Christmas presents or pay the bills. People are suffering, mourning loved ones. Families are divided. Remind them that it's really about a Savior being born.

Christmas day will be here before we know it. In the blink of an eye all the presents will be opened, Christmas dinner will be eaten, and it'll be time to take down the lights and the tree. As we get closer to Christmas, let's remember why we celebrate! There is peace and hope in the name of Jesus. Share that with anyone who needs it.

Our church has a service to fit all of your worship needs!

WATER DONATIONS NEEDED

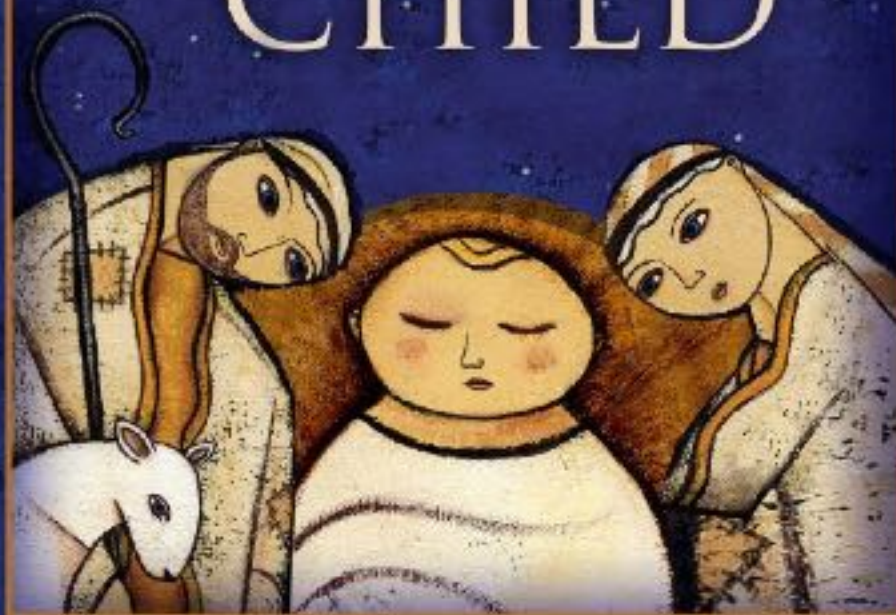

We are looking for donations of bottled water to distribute to students. The drinking fountains are closed because of Covid. We do ask that your child bring water with them, but in the case that they forget, we do provide them with a water bottle. Please consider donating cases of water to the school! It goes very fast!

We are excited to announce that Chief receipts are being accepted again! The Good Neighbor Store Promotion is over, but all Chief receipts with a barcode at the bottom can be used to raise extra money for our school. Please send them in to the school office or put them in the box available in the cafeteria.
