Dear Parents,

FACTS Grant & Aid Assessment will be conducting the financial need analysis for St. John Lutheran School for the upcoming 2022-2023 school year. FACTS makes quality education affordable for families by assisting schools in awarding financial aid. FACTS works with schools to create an application and collect financial data so schools can make accurate award decisions based on financial need. Families applying for financial aid will need to complete an application and submit the necessary supporting documentation to FACTS Grant & Aid Assessment by **April 29, 2022**. Applicants can apply online by clicking the FACTS link at <https://online.factsmgt.com/signin/3WSK7>

Once an online application has been completed, the following information will need to be sent to FACTS to complete the application process:

- Copies of your 2021 Federal tax forms including all supporting tax schedules.
- Copies of supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF.

All supporting documentation can be uploaded in pdf or jpeg format online.

Remember the Care Grant Application Form and the G.I.V.E. Scholarship Application paperwork needs to be turned in to the school office by April 29 as well.

A non-refundable application fee (\$40) is required before your application will be submitted.

Note: St. John Lutheran School, who provides the financial aid, using your score from FACTS, makes award decisions. FACTS does not make any financial aid decisions.

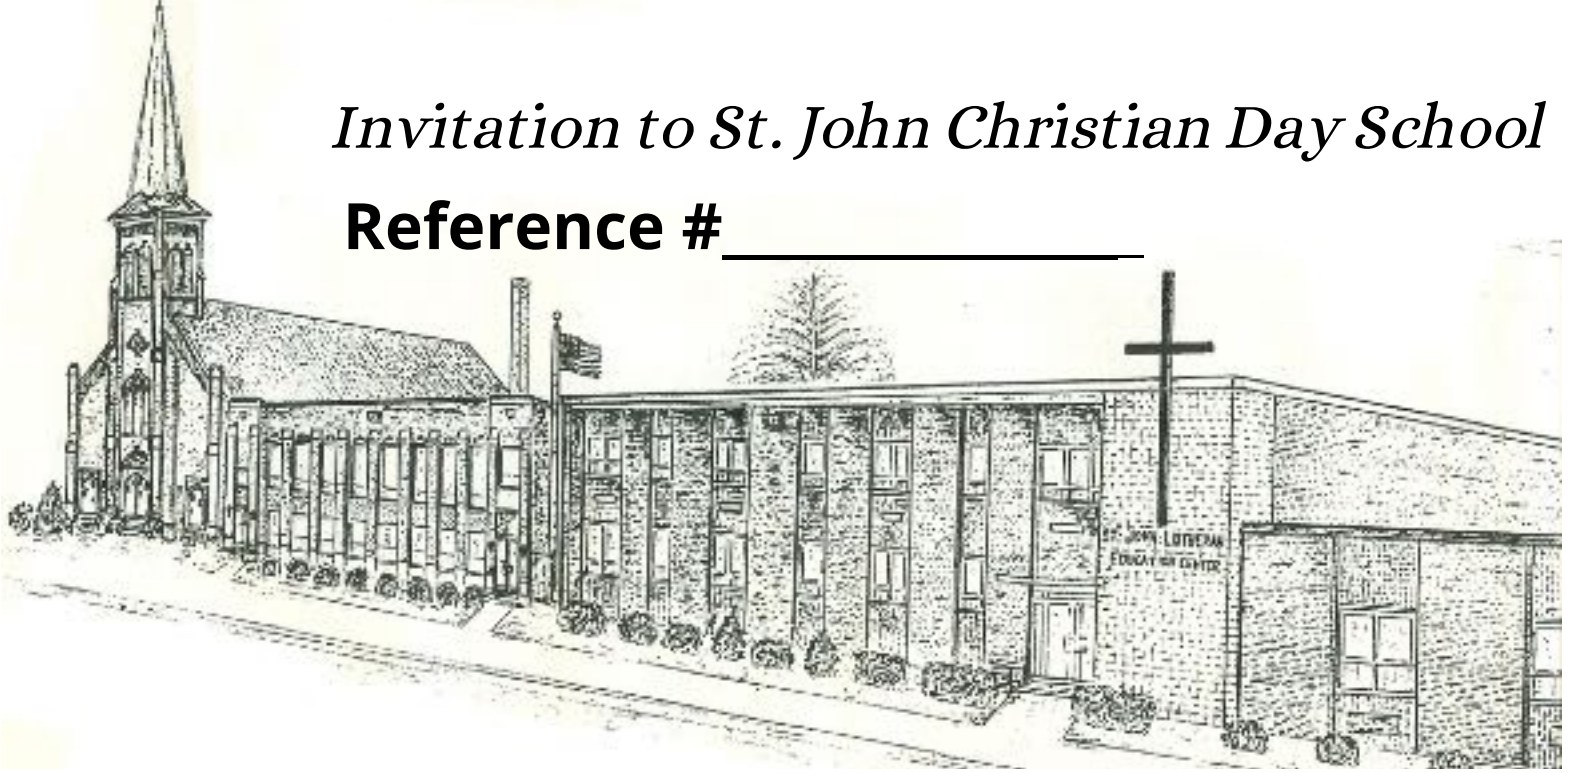

You only need to complete the FACTS application if you **do not** qualify for EdChoice. If you qualify for EdChoice, do not apply.

If you have questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at 866-441-4637 or call the school office at 419-782-1751.

Sincerely,
Mr. John March
